# Memorandum

CITY OF DALLAS

DATE 12/04/2023

TO Honorable Mayor Pro Tem Atkins, Vice Chair Omar Narvaez, Carolyn King Arnold, Adam Bazaldua, Paul Ridley, Kathy Stewart, Chad West

SUBJECT **Dallas Housing Opportunity Fund – Progress Update**

On December 8, 2021, Dallas City council approved Resolution No. 21-1973, authorizing a Chapter 380 Economic Development Grant Agreement (“Agreement”) with Dallas Housing Opportunity Fund (“DHO”) to support the development of affordable housing within the City of Dallas. Local Incentives Support Corporation Fund (LISC) Fund Management, LLC is the sole managing member of DHO and manages, implements, and administers the fund.

The DHO is a targeted investment fund with a minimum fund size of at least \$46 million, of which at least \$40 million is to be raised by the DHO from private philanthropic donors as a deliverable of the Agreement on or before December 31, 2026. The remaining \$6 million was provided by the City of Dallas in the form of a Chapter 380 Economic Development Conditional Grant and secured by a promissory note. Under the Agreement, DHO shall create or retain a minimum of 1500 housing units for households earning at or below 120% of the area median income of the City of Dallas, with the first 100 to be created on or before December 31, 2025, and all to be created by the end of 2031.

Provided that DHO complies with all obligations contained in the Agreement, the principal amount of the Promissory Note will be forgiven in 1/15 increments (\$400,000) as each 100 affordable housing units are produced and verified by the Director.

During the obligatory period of the contract, LISC is required to submit written status reports to the Director of OED. This presentation to the Economic Development Committee serves as the required annual report for 2023.

Upcoming Agenda Item Regarding a New Markets Tax Credit Transaction for Park South YMCA  
(2500 Romine Ave., 75215)

[Heather Lepaska, Assistant Director, Office of Economic Development]

# Memorandum

CITY OF DALLAS

DATE December 1, 2023

Honorable Members of the City Council Economic Development Committee: Tennell Atkins (Chair), Omar Narvaez (Vice Chair), Carolyn King Arnold, Adam Bazaldua, Paul Ridley, Kathy Stewart, Chad West

SUBJECT **Upcoming Agenda Item Regarding a New Markets Tax Credit Transaction for Park South YMCA**

On January 10, 2024, the City Council will be asked to consider a resolution authorizing a New Markets Tax Credit (NMTC) transaction between the YMCA of Metropolitan Dallas, the Dallas Development Fund (DDF) and Capital One bank for the reconstruction of the Park South YMCA located at 2500 Romine Ave, 75215.

In 2009, the City of Dallas authorized the creation of DDF, a non-profit Community Development Entity (CDE) to apply for NMTC allocation from the U.S. Department of Treasury's Community Development Financial Institutions Fund and to manage awarded NMTC allocations. DDF was most recently awarded \$55 million in the 2021 allocation cycle, and previously has been awarded a total of \$185 million in allocation from the 2009, 2012 and 2014, 2017 cycles. DDF has closed \$191 million in allocation to date, with an additional \$10 million expected to close in December, 2023.

The NMTC program permits taxpayers to receive a credit against federal income taxes for making qualified equity investments in designated CDEs. These investments must be used by the CDE for projects and investments in low-income communities, as defined by the NMTC program, and serve as the subsidy to the project in the NMTC transaction. The credit provided to the investor totals 39 percent of the cost of the investment and is claimed over a 7-year credit allowance period.

On November 14, 2023, DDF considered and approved a NMTC transaction between DDF, Capital One, and YMCA of Metropolitan Dallas (YMCA). This NMTC allocation will use up to \$7 million of DDF's \$55 million NMTC allocation. Texas Mezzanine Fund (TMF) is also providing up to \$11 million in allocation to support the project for a total of \$18 million in NMTC allocation. Capital One is anticipated to provide a total of approximately \$5.7 million in NMTC equity (gross) to support the \$7 million in allocation from DDF and \$11 million in allocation from TMF.

The YMCA of Metropolitan Dallas has been serving local communities with youth development, healthy living, and social responsibility programs for 137 years. Today, the organization serves over 200,000 individuals via 16 branches and over 200 program sites across six counties. To ensure residents of varying incomes can participate in its programs, the YMCA provides more than \$4 million financial assistance annually.

This Project supports the construction of a 41,000-square-foot family YMCA in South Dallas to replace the aging Park South Family YMCA that has provided critical services to the community for over 50 years. The Project includes six classrooms for preschool and after-school care, a full-sized gymnasium, a commercial kitchen and demonstration lunchroom, multipurpose space for programming, a swimming pool, and a cardio and weight floor.

The Project will serve 2,800+ individuals annually (expanding overall capacity by 35%); more than 80% of participants are anticipated to be low-income. The Project takes a holistic, multi-generational approach to providing services ranging from childcare and early learning programs to after school programs and summer camps to wellness programs and classes for adults, including dedicated programs for parents and seniors, as noted below:

- **Childcare and Early Learning.** The Project will provide affordable, high-quality year-round preschool for 175 children annually (creating 45 new seats), addressing a shortage of affordable childcare in the area. The YMCA's early learning programs historically lead to strong outcomes for youth: 91% of Park South YMCA preschool students meet kindergarten readiness standards.
- **Youth Development.** The Project will offer after-school programming to 158 youth annually and summer camps to 282 youth annually. The after-school programming combines tutoring and homework assistance with recreation for elementary school age children, while the teen program provides leadership and life-skills development programs. The project includes dedicated spaces for teens to increase teen engagement and support development.
- **Healthy Living.** The Project will serve all ages with resources to maintain and improve health outcomes. In addition to providing space to exercise independently and hosting group fitness classes, the YMCA will offer chronic disease prevention and management programs, including diabetes prevention and blood pressure self-monitoring programs. The YMCA also will offer cooking classes and access to healthy foods in response to high food insecurity in the community (a USDA-designated food desert), addressing root causes of health disparities. To ensure that community members are safe around water, the YMCA will provide swim instruction.
- **Financial Literacy and Small Business Support.** The Project will offer a financial literacy program in partnership with Comerica Bank. Participants will learn from an array of courses on personal banking, credit, insurance, and estate planning. Through the partnership, small business entrepreneurs will also have free access to office space in Comerica's BusinessHQ resource center and be able to receive business plan development, banking products, and administration support.

DATE December 1, 2023  
SUBJECT **Upcoming Agenda Item: Park South NMTC Project**  
PAGE **3 of 3**

The project site is located at 2500 Romine Avenue in Dallas, TX. The project falls within Census Tract 48113003700, which is NMTC-qualified and considered “severely distressed” per the CDFI fund based on a poverty rate of 31.3%, a median family income 49.8% of AMI, and an unemployment rate that is 2 times the national average.

NMTC funding is a critical source to allow the project to proceed as scheduled. The Park South Family YMCA branch operates at an operating deficit, so the Project cannot support any traditional debt. Without the proceeds resulting from DDF’s NMTC allocation, the YMCA would be forced to delay the project to search for alternative funding sources, deferring the delivery of much-needed childcare and health and wellness services for low-income families in South Dallas.

SUBJECT **Quarterly Update on Incentives Awarded via Administrative Action**

On January 25, 2023, the City Council approved an amended City of Dallas Economic Development Policy and approved a new Economic Development Incentive Policy. The Incentive Policy allows for certain incentive awards to be made by Administrative Action, rather than by City Council Resolution. These include:

2. Incentive offers valued at or below \$1 million for projects in Target Areas
3. Incentive offers valued at or below \$1 million that are made to M/WBE developers or community developers throughout the city

The Incentive Policy specifies that the Office of Economic Development will update the Economic Development Committee via a quarterly memo summarizing incentives awarded by Administrative Action under these three programs. This memo is the second such quarterly update. One Community Development Incentive under \$1 million has been executed via Administrative Action and is described on the attachment hereto.

Update on American Rescue Plan Act grants - Small Business Assistance Microgrants

[Joyce Williams, Director, Small Business Center]

# Memorandum

CITY OF DALLAS

DATE January 9, 2024

TO Honorable Members of the City Council Economic Development Committee: Tennell Atkins, (Chair), Omar Narvaez (Vice Chair), Carolyn King Arnold, Adam Bazaldua, Paul Ridley, Chad West, Kathy Stewart

SUBJECT **Small Business Assistance – Microgrant Program**

The purpose of this memorandum is to share the program statement for the Small Business Assistance – Microgrant Program funded with a one-time allocation of \$250,000 through the American Rescue Plan Act (ARPA).

The City of Dallas continues to see significant demand from small and minority businesses seeking assistance from financial institutions and governmental agencies to close gaps for employee payroll, financial sustainability, and other essential operating costs in underserved communities impacted by or during the COVID-19 pandemic.

To close the gaps, the City of Dallas will provide financial support through the Small Business Microgrants Program to Dallas-based small businesses to mitigate financial impact and stimulate economic activities by enabling small businesses to remain operational, rehire or hire employees, and promote overall economic stability and viability.

This program will focus on small businesses that fall outside the current Southern Dallas Investment Fund target area, and provide funding to assist with one-time rental assistance, staffing, utilities, and other related operational expenses. The microgrants will be available through an application process administered by the Small Business Center beginning February 26, 2024.

Should you have any questions or concerns, please contact me or Joyce Williams, Director, Small Business Center at [joyce.williams@dallas.gov](mailto:joyce.williams@dallas.gov).
