CITY SECRETARY
DALLAS, TEXAS

CITY OF DALLAS

Memorandum

DATE February 1, 2024

TO T.C. Broadnax, City Manager

SUBJECT **2024 Bond Discretionary Fund Allocations**

Dear Mr. Broadnax:

As part of the bond plan supported by the Dallas City Council on Wednesday, I hereby pledge my \$5 million discretionary funds to the Parks & Recreation proposition.

I am confident this \$5 million addition to the bond will help make Dallas greener and greater by providing improved access to quality, well-maintained recreational spaces across our city. In the coming days, I plan to work with members of our Park Board to determine more specifically how this funding can be applied to project(s) that were previously identified as top priorities by the Park and Recreation Department and by the public through the Community Bond Task Force.

At this time, I also want to thank you and my colleagues on the Dallas City Council for their work during this bond process. I recognize that we have many competing needs and priorities, and that consensus on matters such as these can be challenging. But I left Wednesday's meeting far more confident that together, we have built a bond proposal that can address our greatest needs, benefit all of the people of Dallas, and make our city safer, stronger, and more vibrant.

Should you have any questions, please contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read 'E. Johnson'.
